

Directory Permission

Each year Hermosa Montessori publishes a new All-School Directory. This directory is to facilitate positive communication among the Hermosa community. The directory will include names, addresses, e-mail addresses, and phone numbers of those families who have provided consent to release this information. We ask that you complete and return the enclosed form before or during registration so that we can publish the directory in a timely manner. There will be a small fee for each directory to cover the cost of publication. *Only parent and student names and the student's classroom will be published for families who choose not to publish other information.*
