

All-School Performance at 2:00 p.m. on May 30th at Christ Community Church,

7801 E. Kenyan Dr., corner of Pantano and Kenyan (south of Broadway)

We need your cooperation to have all performing students Kindergarten - 8th arrive at 1:00 p.m. for dress rehearsal! Since we must rent a venue, this is our only opportunity to rehearse the show, and make sure all students are comfortable! We are asking preschool students to arrive at 1:45 p.m. and sit with their teachers.

Our **all-school music and arts performance** is rapidly approaching, and we are busy rehearsing for this event. **Every child, from preschool to 8th grade, has a performance opportunity in this program!** Preschool and kindergartners will be singing favorite songs they have learned this year. First grade through 6th grade music classes are all performing various musical selections, some vocal and others with instrumental ensembles including recorders, xylophones, glockenspiels and percussion, as well as dance. In addition, there will be two short plays performed, one by Rusti's class, and another by our middle school. Hermosa's choirs will also sing at this event.

The students in our music classes have been working very hard to prepare for this occasion and we will be performing in a magnificent location, the Christ Community Church, with fabulous acoustics to showcase their talents. I realize that this is the day after school is out, but this is the only date we could book this venue, and their only opportunity to perform this year. Unless you have to be out of town, **please plan on attending!**

Because many of our songs have instrumental and vocal parts, **I need to know if your child (pre-K to 6th grade) cannot be there on May 30.** Please email me directly (marytrudy@gmail.com), fill out the bottom of this letter and turn it in to the front office or call (885-3362) if your child cannot participate. Let me know your child's name, grade and classroom. **Otherwise I will assume your child is participating in our performance!**

Please bring your K-8 child to the church at 1:00 p.m. for rehearsal. It is a huge stage and we need this time to prepare them for their performance and for sound checks. **The students should wear their best outfits;** pants for boys and nice pants, skirts or dresses for girls. The show will be from 2:00-3:30 p.m. The performing hall has ample seating; bring friends and family!

Thank you,

Mary Rudy

Hermosa Music Teacher
