Next Vacation: Discover "Dream Trips" at Wholesale Prices

21st Century Travel, and its host company, Rovia, invite you and your family to discover **Dream Trips at dream prices!**

Dream Trips has taken the bulk-buying concept, most commonly seen at Sam's Club or Costco, and applied it to travel. You may be a savvy traveler, but, have you ever traveled at wholesale? Dream Trips searches the world to purchase large blocks of travel inventory for specified locations, at speci-

fied prices, such as 150 hotel rooms, 400 cruise cabins, or entire an chartered plane. This allows negotiation of rates no retail traveler could ever achieve, then passes the savings on to Dream Trip Members. Plus, Hermosa benefits!

For a one-time membership cost and a small monthly fee, you'll have access to up to 300 trips per year to incredible destinations across the globe at wholesale prices you won't find

anywhere else. Membership covers you plus a spouse/significant other/guest & children. Consider this: a 5-day Cozumel cruise for \$49; 6-days in a 5-star beachfront Mazatlan resort for just \$249; cruise 8 days on the Mediterranean for \$419; stay 5 days, at all-inclusive gourmet Jamaican beachfront resort suite for under \$500!! Go to www.21travel.worldventuresdreamtrips.com for details.
